Urgent Field Safety Notice

Kiss Condoms

Dear Customers / Caregivers,

We write to formally inform you about the circulation of counterfeit Kiss Condoms in various Nigerian markets. These fake products pose a significant public health risk.

Please see detailed information below:

Brand Name: Kiss Condoms (Manufactured by Thai Nippon Rubber Industry PCL, Thailand, and distributed in Nigeria by DKT International Nigeria).

Complaint: Counterfeit Kiss condoms in some markets across the country. These counterfeit Kiss Condoms do not possess the quality, safety, and effectiveness guaranteed by the genuine Kiss brand.

Measures taken to control imitation:

Collaboration with NAFDAC and relevant Market Unions: DKT Nigeria is collaborating with NAFDAC and major market unions to help fight counterfeiters by seizing any fake Kiss Condoms found in the market. The sellers will also be punished according to laid down laws of Nigeria.

NAFDAC Registration: Customers are encouraged to buy from accredited distributors, licensed pharmacies and verify the NAFDAC registration numbers. However, note that counterfeit products may bear fake or stolen registration numbers, misleading consumers.

Customers Education: DKT Nigeria has been sensitizing customers through social media (FB, IG, TikTok, Twitter) about the lingering fake Kiss condoms.

Additional Information:

Packaging Discrepancies: The fake Kiss Condoms often have subtle differences in packaging, such as variations in colour, font, and logo placement. The counterfeit product's packaging may appear faded, flimsy, or different from the authentic brand packaging.
