NAFDAC Reduction of Sodium in Processed and Pre-Packaged Foods Regulations 2025

Commencement:

In exercise of the powers conferred on the Governing Council of the National Agency for Food and Drug Administration and Control ('the Governing Council') by Section 30 of the National Agency for Food and Drug Administration and Control Act, Cap. N1, LFN, 2004 and Section 12 of the Food, Drugs and Related Products (Registration, Etc.) Act. Cap. F33. LFN, 2004 and of all the powers enabling it in that behalf, the Governing Council with the approval of the Minister makes the following Regulations:

Part I

Objective and Application

13. Objective

The objective of these Regulations is to provide a regulatory framework for regulation and reduction of sodium in processed and pre-packaged foods manufactured, imported, exported, advertised, sold, displayed for sale, distributed, or used in Nigeria.

14. Application

These Regulations shall apply to processed and pre-packaged foods manufactured, imported, exported, advertised, sold, distributed, used or consumed in Nigeria and known to contribute significantly to sodium intake.

Part II

Labeling, Mandatory Sodium Labelling, Sodium Content Limits, Sodium Claims and Conditions

15. Labelling

Labelling of Processed and Pre-Packaged Foods containing sodium shall be in accordance with the Agency's Pre-Packaged Food (Labelling) Regulations.

16. Mandatory Sodium Labelling

Processed and pre-packaged foods containing sodium shall display on the label the sodium content per serving or per 100g or 100ml on the Nutrition Information Panel.

17. Sodium Content Limits

Sodium content in processed and pre-packaged food shall not exceed the maximum limit as provided in the schedules to these Regulations.

18. Sodium Claims and Conditions

Where a claim is made on the food label in respect to the sodium content, the conditions in order to qualify for the claims shall be as follows;

- (a) "Low sodium": A food may be labelled as "low sodium" if it contains not more than 0.12g of sodium per serving or per 100g or 100ml.
- (b) "Very low sodium": A food may be labelled as "very low sodium" if it contains not more than 0.04g of sodium per serving or per 100g or 100ml.

- (c) "Sodium-Free" or "No Sodium": A food may be labeled as "sodium-free" if it contains not more than 0.005g of sodium per serving or per 100g or 100ml.
- (d) "Reduced sodium": A food may be labelled as "reduced sodium" if it contains at least 25% less sodium compared to the regular version of the same product.
- (e) "Light in sodium or lightly salted"; A food may be labelled as "light in sodium" if it contains at least 50% less sodium compared to the regular version of same product.
- (f) Non-addition of sodium salt - Claims regarding the non-addition of sodium salt to a food, including "no added salt", may be made if the following conditions are met: -
 - (i) The food contains no added sodium salts, including but not limited to sodium chloride, sodium triphosphate;
 - (ii) The food contains no ingredients that contain added sodium salts, including but not limited to worcestershire sauce, pickles, pepperoni, soya sauce, salted fish, fish sauce, locus beans; and
 - (iii) The food contains no ingredients that contain sodium salts that are used to substitute for added salt, including but not limited to seaweed;
 - (iv) The food contains no food additives that contains sodium salt including but not limited to monosodium glutamate, sodium benzoate, sodium bicarbonate.

19. Prohibition

- (a) A person shall not manufacture, import, export, advertise, distribute, display for sale, or use Processed and Pre-Packaged foods containing Sodium in Nigeria unless it is in accordance with the provisions of these Regulations.
- (b) A Person shall not manufacture, package, import, export, advertise, distribute, or sell processed and Pre-Packaged food containing sodium unless it complies with the maximum sodium limit as specified in the schedule to these Regulations.

Part III **Offences and Penalties**

20. Offences and Penalties

- (1) Any person who contravenes any of the provisions of these Regulations commits an offence and shall be liable on conviction. In case of -
 - (a) an individual, to imprisonment for a term not exceeding one year or to a fine not exceeding N800,000.00 or to both; and
 - (b) a body corporate, to a fine not exceeding N5,000, 000.00.
- (2) Where an offence under these Regulations is committed by a body corporate, firm or other association of individuals every: -
 - (a) director, manager, secretary or other similar officer of the body corporate.
 - (b) partner or officer of the firm.
 - (c) trustee of the body concerned.
 - (d) person concerned in the management of the affairs of the association; or
 - (e) person who purports to act in a capacity referred to in paragraphs (a) to (d) of this sub-regulation, is severally liable to be proceeded against and punished for that offence in the same manner as if he had himself committed the offence, unless he proves that the act or omission constituting the offence took place without his knowledge, consent or connivance.

21. Forfeiture after conviction

- (1) A person convicted of an offence under these Regulations shall forfeit to the Federal Government: -
- (a) any asset or property constituting proceeds derived from or obtained, directly or indirectly, as a result of the offence; and
 - (b) any of the person's property or instruments used in any manner to commit or to facilitate the commission of the offence.
- (2) In this section, "proceeds" means any property derived or obtained, directly or indirectly, through the commission of the offence.

Part IV Miscellaneous

22. Enforcement of Regulations

The Agency shall be responsible for the enforcement of these Regulations.

23. Interpretation

In these Regulations, unless the context otherwise requires:

Agency means National Agency for Food and Drug Administration and Control.

Food means any substance, whether processed semi-processed or raw, which is intended for human consumption, and includes drinks, chewing gum and any substance which has been used in the manufacture, preparation or treatment of food but does not include cosmetics or tobacco or any substances used only as drugs.

Ingredient means any substances, including a food additive, used in the manufacture or preparation of a food and present in the final product, although possibly in a modified form.

Prepackaged food means food made up in advance in a container, ready for offer to the consumer or for catering purposes.

Sodium means a mineral and one of the chemical element found in salt.

24. Citation

These Regulations shall be cited as Foods Containing Sodium Regulations 2025.

Made at Abuja this Day of..... 2025
