

RE: NAFDAC TARIFF

The Director-General (NAFDAC) has received the various observations by stakeholders on the tariff approved by NAFDAC Governing Council.

The Council at its meeting of 19th June 2019 considered the observations from the stakeholders and agreed to meet with the stakeholders over the issue with a view to reviewing the tariff

Meanwhile the approved tariff has been suspended pending the outcome of the meeting with the stakeholders.

Please accept the assurances of my sincere regards.

Prof. Christina Mojisola Adeyeye PhD, FAS
Director General, NAFDAC
